General Project Management → Review Work 1

Review Work 1

- This is an Individual or groups work (but you need to be assigned to a group).
- To prepare the defense/presentation, you have 90 minutes.
- The duration of the presentation for each group is about 10min.

The template to download (with the topic to select) is available on:

Moodle: Session 2: <https://moodle3.unistra.fr/course/view.php?id=19664>

My Website: Session 2: <http://www.samiagamoura.com/blended-learning-logistics-project-management.php>

Important Note:

After the defense (presentation) of the group, the professor will randomly select names from the rest of the students to ask questions to the group who presented.
